Caring

Displaying kindness and concern for others

Caring

- One of fundamental human feelings

Caring

- Care for our spouse
- Care for our parents
- Care for our children
- Care for our friends
- Care for our church friends
- Care for our relatives
- Care for our colleagues
- Care for our clients

What demonstrates caring?

- Pay attention to what a person says
- Sensitive to a person's feelings
- Understand a person's needs
- Respond to a person's need timeously

We care, but ...

- We may be unable to help
 - Due to capacity
 - Due to ability
 - Things beyond your control
- The other person is not open to you

We may let people down ...

- Due to our busy schedule and multiple tasks
- Need to communicate effectively and timeously
- Need to manage expectations
